The Story

This is the story of Charles's village.

He was once an ordinary man, with a simple life and simpler goals. Now, the curse upon his village is the only life he knows. He is a hollow man, and his only goal is to save his village, avoiding one cursed villager at a time. Society demands it, and what kind of man would he if he did not serve the common good?

Gameplay

Arrow keys to move, shift to sprint, and spacebar to toggle the flashlight. Manage stamina and flashlight battery long enough to find all the eggs while avoiding crazy villagers.

Eternal Man: Village
A curse has fallen upon a village. Find the 8 egg-shaped crystals to life the curse.
(The story would be better, but our writer had a heart attack from this game.)
Arrow keys to move. Shift to sprint. Spacebar to toggle flashlight.
Sprinting drains stamina. When you run out, you lose movement speed until it refills.
Having the flashlight off drains sanity, but makes it harder for enemies to find you. When you run out, you die.

achievements work fine
The image of the lion was creepy. No game. No fun. Just scam.. You get what you paid for, 5K achievements at minimum price. If you\u2019re an achievement hunter looking to increase the number of achievements on your profile showcase, then I highly recommend buying this. Else don\u2019t waste your money. This is not a game, it\u2019s just a way of distributing achievements.. Great Little Game
